ESA Performance & Compliance Report February 2016

I. ESA COMPLIANCE REVIEW SUMMARY

Pursuant to the Intergovernmental Agreement Concerning the El Paso County Emergency Services Authority (“ESA”) dated April 1, 2014, El Paso County and the City of Fountain have created the ESA to oversee an exclusive contract to provide ground emergency ambulance service to the ESA’s service area within El Paso County. Appendix A, of the Ground Emergency Ambulance Services Contract between El Paso County Emergency Services Authority and American Medical Response of Colorado, Inc. (“Contractor”), which was effective July 1, 2014, provides that Contractor agrees that, in the event it fails to meet performance requirements set forth in the Contract, it shall pay assessments in the amount and manner set forth in Section 3 of Appendix A. The assessments represent a reasonable endeavor by the ESA and the Contractor to estimate a fair compensation for the foreseeable damage to the ESA and its residents due to Contractor’s failure to meet the performance standards set forth in the Contract. The assessments are in the nature of liquidated damages and are not punitive in nature. Payment by the Contractor of an assessment shall constitute a full release and satisfaction of the particular matter.

In accordance with Section 10 of the contract, the Contractor provided all required performance and compliance reports during the reporting period. The Contractor has reviewed and concurs with the contents of this report. A representative sampling and subsequent assessment of associated records for Code 3 calls documented in the Contractor’s submitted data indicated that records were accurately prepared and factually reported for February 2016.

**INTERGOVERNMENTAL AGREEMENT FOR
GROUND EMERGENCY AMBULANCE SERVICES**

THIS INTERGOVERNMENTAL AGREEMENT (“Agreement”) is entered into by and between the EL PASO COUNTY EMERGENCY SERVICES AUTHORITY (“ESA”) and the Peyton Fire Protection District (“Agency”) (individually, a “Party” and collectively, the “Parties”).

Background and Purpose

A. Pursuant to the *Amended and Restated Intergovernmental Agreement Concerning the El Paso County Emergency Services Authority* dated June 24, 2014 (the “Establishing IGA”), between El Paso County and the City of Fountain, the ESA created a separate public entity to oversee an exclusive contract to provide ground emergency ambulance services within the ESA’s geographical jurisdiction, including unincorporated El Paso County and participating municipalities and special districts.

B. Effective July 1, the ESA has entered into an agreement with AMR, (the “Contractor”), for the exclusive provision of ground emergency ambulance services (the “Contract”) in the ESA’s jurisdiction (the “Exclusive Area”).

C. The Agency is a political subdivision of the State of Colorado and pursuant to applicable state statutes, has the power and authority, but not the duty, to provide its own emergency ambulance services within its jurisdictional boundaries. The Agency is located within unincorporated El Paso County and currently receives ground emergency ambulance service within its jurisdictional boundaries through El Paso County.

D. Article XIV, Section 18 of the Colorado Constitution and C.R.S. § 29-1-201, *et seq.* provides for and encourages political subdivisions of the State of Colorado to make the most efficient and effective use of their powers and responsibilities by cooperating and contracting with each other.

E. The Parties desire to enter into this Agreement in order to assure coordinated, effective and efficient ground emergency ambulance services within the Agency’s jurisdictional boundaries, which the Agency has determined, based on its own review, will benefit the taxpayers and citizens of the Agency.

F. The Parties agree it is in their mutual interest and for the public health, safety, convenience and welfare that they enter into this Agreement in order for the Agency to authorize the ESA to represent it on matters related to the provision of ground emergency ambulance services by the Contractor with the Agency’s jurisdictional boundaries which are to be included within the Exclusive Area pursuant to this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and obligations expressed herein, the Parties agree as follows:

Agreement

1. ESA’s Obligations:

- A. Through the ESA board, oversee the Contractor's performance of and compliance with the Contract and ensure the Contractor is otherwise complying with all terms and conditions of the Contract.
- B. Through the ESA staff, provide management, oversight and administration of the Contract at no cost to Agency.
- C. Coordinate with state and other local government entities to provide an efficient and effective regional emergency medical response system, including ground emergency ambulance services.
- D. Assure the ESA's compliance with the establishing IGA, [which is incorporated herein by reference,] including without limitation, delivery of an annual independent audit and adoption of policies and procedures for the ESA.
- E. At such times as required or desired by the ESA, to develop and implement a request for proposal (RFP) procurement process for a new ground ambulance services contract at no cost to Agency.
- F. Recognize that the Agency, if it chooses, may provide its own, or primary, ground emergency ambulance services within its jurisdictional boundaries.

2. Agency's Obligations:

- A. Agree to be bound and abide by all ESA policies and procedures with regard to the Contract.
- B. Communicate with the ESA board any questions or concerns of the Agency in connection with performance of the Contract.

3. Inclusion of Agency Service Territory; Termination:

- A. The Parties acknowledge that the ESA's ability to contract with a ground emergency ambulance services provider is dependent on the ESA's ability to accurately identify the jurisdictional boundary of the Exclusive Area on at least an annual calendar-year basis and while undergoing the RFP procurement process. The Parties further acknowledge that for emergency medical response system planning purposes, the ESA and Contractor must be able to accurately forecast the territory to be included within the Exclusive Area at least six (6) months in advance of January 1 of each Contract year. By this Agreement, the Agency's service territory is hereby included within the Exclusive Area for purposes of ESA's Contract with Contractor. The Agency further agrees that if the Agency decides it no longer wishes to receive ground emergency ambulance services in its jurisdiction from Contractor under this Agreement, the Agency shall provide written notice to the ESA pursuant to paragraph 3(B) below of its decision to terminate this Agreement. Nothing in this Agreement shall obligate the Agency to provide its own ground emergency ambulance services or to impose charges, fees or tax levies within its jurisdiction to receive such services under this Agreement from or through the Contractor, El Paso County or the ESA.

B. Either Party may terminate this Agreement upon at least sixty (60) days' written notice to the other Party. The Parties may waive the 60-day written notice requirement upon mutual agreement.

4. Agency Authority. This Agreement has been duly adopted by the Agency's governing body and the undersigned Agency representative is authorized to execute this Agreement on behalf of the Agency.

5. Effect. This Agreement shall be effective upon approval by both the ESA board and the Agency's governing body. Nothing herein grants any third-party rights or claims as regarding the Parties' performance of this Agreement per their respective obligations set forth in paragraph 2 above. This Agreement shall continue to be in effect unless terminated in accordance with paragraph 3 above, or unless superseded by a subsequent agreement among the Parties.

6. Governing Law; Venue. This Agreement, and the application and interpretation hereof, shall be governed by the laws of the State of Colorado. This Agreement will also be governed by and interpreted in accordance with applicable ordinances, board resolutions, regulations, rules, written guidelines and written policies of the Parties, and in the event of any conflict or inconsistency those of ESA shall control. Exclusive venue for any disputes or legal proceedings arising out of this Agreement shall be in El Paso County, Colorado.

7. Severability. If any term or provision of this Agreement is found to be illegal or unenforceable by judgment or court order, then, notwithstanding such illegality or unenforceability, this Agreement shall remain in full force and effect and such term or provision shall be deemed to be deleted.

8. Entire Agreement. This Agreement contains the entire agreement of the Parties. Any prior written or oral agreements which are different from the terms, conditions and provisions of this Agreement shall not be binding upon either Party. Any amendments or modifications of the terms of this Agreement shall be approved in writing by both Parties.

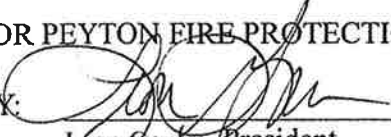

9. Other Conditions. (attach additional pages describing any additional conditions)
