MOTION	PERSON RESPONSIBLE	
Motion to approve the February 1, 2012 meeting minutes.	Dr. Gifford	
Second	Rob Coffey	
Approved	Unanimous	

2.A. RSI REVIEW

DISCUSSION	
Dr. Gifford reported that there were no RSI cases to review.	

2.B. REVIEW OF PATIENT COMPLAINTS

DISCUSSION	
Dr. Sharon and Dr. Gifford reviewed the information related to one patient complaint (#289) and closed the complaint. Another complaint (#284) was continued to the next meeting in order to allow the physicians to review additional information.	

3.A. MEMBER/STAFF COMMENTS

DISCUSSION	
Dr. Ross discussed a call relating to a case during which a patient was contacted by AMR and did not obtain a refusal from the patient. Members present discussed the proper procedures for such cases, and the call will be added to the agenda for the August meeting.	
Rob Coffey reported that ResQPods would be removed from CSFD and AMR rigs based on NEJM findings regarding their lack of effectiveness.	

MEETING ADJOURNED AT 1:50 pm.
