1. PUBLIC COMMENT

DISCUSSION	
None.	

2.A. RSI REVIEW

DISCUSSION	
Dr. Gifford reported there were none to go over as she and Dr. Ross had not met to review any RSI cases.	

2.B. REVIEW OF PATIENT COMPLAINTS

DISCUSSION	
The committee reviewed and closed one complaint (361), agreeing that medically the treatment was appropriate, and any personnel issues could be addressed by the agencies. Complaints 362 and 367 will be continued to February's meeting.	

3.A. MEMBER/STAFF COMMENTS

DISCUSSION	
Dr. Kiley introduced new member Dr. Timothy Hurtado to the committee. The committee discussed new protocols that will be coming out in December which will need to be endorsed at the next meeting. Scott McCune of AMR reported that Dopamine in all forms was on back order nationwide.	

MEETING ADJOURNED AT 1:47 pm.
